Useful Party Information

We really want everyone to have fun, but to keep safe, please take time to read our important points below before the party:

Waiver

The party organiser will send a link via email, please complete all waivers within the link you are sent on your child's behalf. If these are not completed prior to the event date, your child will not be able to participate in the activities on the day.

By signing this waiver form, you will confirm you have read the Risk Statement and Terms and Conditions of XC.

It is your responsibility as parent/(court appointed) legal guardian to fill out the medical conditions section on the reply slip and on the waiver form.

High Ropes, Caving and Climbing Parties

Wear loose comfortable clothing. Something similar to what you would wear to the gym.

Dress appropriately according to the temperature outside. Although we are an enclosed building, it can be hot in summer and cold in winter. Wear layers that can be easily removed if you become hot. Dresses and skirts are not permitted.

Wear clean, closed top trainers that can be securely fastened to your feet.

Remove all jewellery and if you have long hair, this must be tied back into a low pony tail.

Skatepark Parties

All children under 18 are required to wear helmets. These are available to hire from reception (subject to availability). Please note that party members must provide their own equipment (BMX/Skateboard/Scooter) if attending a Skatepark party.

Spectators

For safety reasons spectating is only permitted from the café area.

Photography

Please note that a photography permission slip must be completed and photo ID provided before any photography or filming can take place.

Parking

Parking is available in the leisure complex located next to XC.

If you have any queries regarding the above please do not hesitate to contact us.

We look forward to seeing you at the party!
